Congregational Volunteer Hours

As part of the National Youth Gathering, participants from First Lutheran Church are able to earn a \$50 credit toward their cost by completing Volunteer Hours within the congregation. Participants understand that:

- Each service hour earned will qualify for a \$5 credit.
- Although some Service Opportunities may last longer than an hour, each opportunity participated in is limited to a \$10 credit. Individuals participating are encouraged to work the full event and not simply “bow out” when they have reached their two hour cap.
- Service opportunities should be for members of the congregation, or to fulfill a need within the congregation.
- Service opportunities will not count if performed for members of your own family.
- This form must be completed and submitted to Pastor Bailey by June 15, 2022.
